MPE key pillars: 100% merchant focus, high quality agenda, 100% business: high-impact networking, glittering Awards. New in 2026: MPE NXT - mentoring growth for individuals and startups/scaleups, buyer-hosted meetings, curated 1:1s, closed-door discussions, , and community formats that deliver real ROI.

On the first day, in the afternoon, we will again organize an informal "EPSM Member Meeting" at our EPSM table e.g. to exchange direct views on currently "proclaimed" business trends. More information will follow by e-mail.

Looking forward to seeing many EPSM Members - and potential members - in Berlin!
